Church Photos

In an effort to help Mr. Clark with names and faces there will be photos taken of each member and family at the front of Church today after services and next Sabbath on 12/19 before and after services. There will be a sheet to sign your names right before the picture is taken. If you have any questions please see Kari Kardell.

Young Adults Evening

Join us tonight for dinner and Bible Study at the Erickson's on Saturday, beginning at 6 p.m. After Bible Study, stay for a game of pool or Wii. No need to bring anything except your Bibles. A \$7 per person donation will be collected for dinner and beverages. More details to follow regarding the Bible study topic – if you have any suggestions please forward them to Cory Erickson to be included in this fun evening! Hope to see you all there!

Attendee Survey

Two years ago the United Church of God conducted an anonymous survey of Church attendees. The results of that survey were extremely helpful! The information from the Attendee Survey taken two years ago is now a benchmark for measuring the progress of our programs. This December and January we will be conducting the survey again so we can compare the results with the statistics from the first survey. We want to be sensitive to your input and continue to solicit your suggestions on what we are doing well and the areas where you feel we may need improvement.

We need your help and input by completing the anonymous Attendee Survey between Dec. 12, 2009, and Jan. 10, 2010. You can access the survey online at <http://members.ucg.org>. The survey should only take 20 to 30 minutes to complete. If you cannot access the survey online or do not have access to a computer please check with your local pastor and ask him to provide you with a copy of the survey. Complete and return the survey to your pastor or someone he designates to input the information into the online survey. Sorry but we cannot accept hand written surveys sent to the home office.

Prayer Requests

Leon Roeth a member of the Dayton, Ohio, congregation, has complications as a result of surgery to remove a brain tumor. Radiation treatments have left him very weak. He was due to start chemotherapy but developed pneumonia. Chest x-rays showed several spots on his lungs. Biopsies were taken and the results will be known next week. Prayers for his healing would be greatly appreciated. We have a card for him on the information table.

Your prayers are requested for **Barbara Calhoun**, a member of the Williamsburg, Virginia, congregation. She has been diagnosed with advanced lung cancer. Doctors have told her there is no cure for this type of cancer but some things can be done to slow the growth. Prayers are requested for the difficult road ahead of her. We have a care card for her on the information table.

Larry Stoner, a member of the Dayton, Ohio, congregation, is scheduled to have surgery in the next several weeks to amputate his left leg below the knee. Due to almost no blood flow in his left foot it has become infected and is getting worse. His right leg was amputated below the knee in July for the same reason. Larry is diabetic and has had quintuple by-pass surgeries and is also on dialysis. Please pray for Larry and his family. We have a card for them on the information table.
